
3 6 kw solar inverter factory in Zimbabwe

How many solar power projects are there in Zimbabwe?

As of 31 July 2019, the Zimbabwe Energy Regulatory Authority (ZERA) had issued more than 77 power generation licences with 42 being solar power projects. A number of IPPs are already selling electricity to the Zimbabwe Electricity Transmission and Distribution Company (ZETDC) and feeding into the national grid.

Who is GoodWe solar inverter?

Learn More GoodWe is a leading solar inverter manufacturer specializing in residential and commercial solar inverters ranging from 0.7kW to 250kW.

Are GoodWe solar inverters a good investment?

Being light-weight, highly-efficient and low-cost, GoodWe residential grid-tied solar inverters are designed to be simple to install, operate, and maintain, so as to ensure a quick return on investment (ROI). GoodWe's C&I grid-tied inverters are designed to deliver high efficiency and reliability.

What is a residential solar inverter?

The residential solar inverter solution is mainly composed of PV modules, inverters, grid-connected boxes, and other main components. The residential 3.6-25kW on-grid solar inverter system can adapt to different rooftops. Our residential solar inverters support 4G/WIFI/RS485 communication with the AUXSOL cloud monitoring platform.
