
Automatic Folding Container for Construction Sites in the Marshall Islands

Where can I buy shipping containers for construction?

Shipping containers for construction are available through Mobile Modular Portable Storage. Rent or buy these containers for easy, secure job site storage.

Are construction site storage containers secure?

For temporarily storing valuable equipment and materials, our construction site storage containers are secure and fully customizable. All our portable storage units come with locking door handles and HASP locks as security standards, and they include space-saving accessories to help you stay organized.

Can a shipping container office be used on a construction site?

Our shipping container offices can also be used on virtually any type of construction site, providing a secure, climate-controlled space for project managers to keep the road work, school construction, or design-build running on time.

What is included in a construction site container office?

Our construction site container offices feature HVAC units, lighting, and pre-stubbed phone and data lines as standard features. Pipe racks, shelving brackets, and plan tables can also be added to your office or storage space for convenience.
