## Factory price solar powerbox in Morocco

How much will Morocco's solar energy project cost?

In November 2009 Morocco announced a solar energy project worth \$9 billion which officials said will account for 38 percent of the North African country's installed power generation by 2020. Funding would be from a mix of private and state capital. The ceremony was attended by U.S. Secretary of State Hillary Clinton and the Moroccan king.

Who is solar power Maroc?

Solar Power Maroc is a key provider of photovoltaic solar panels and energy solutions, targeting energy cost reduction and promoting eco-sustainability for industrial sectors.

Can solar energy boost economic growth in Morocco?

The adoption of solar energy systems can fuel economic growth in Morocco. It reduces the nation's reliance on imported fossil fuels, thereby saving foreign exchange and improving energy security.
