## Financing solution for a 120-foot folding container

Is shipping container leasing a one-size-fits-all solution?

Let's face it; no one-size-fits-all solution exists in the world of shipping container leasing or buying. It's all about weighing your options and making an informed decision based on your unique needs and circumstances. We hope this guide has armed you with valuable insights to make that choice a little easier.

What costs are involved in shipping container leasing?

While costs involved in shipping container leasing: Delivery/Pick-up Costs: Some lessors may charge extra for delivering or picking up containers from specific locations. Damage Waiver Fees: Lessors often offer damage waivers protecting lessees against repair costs should any damage occur during the lease term.

What credit score do I need to buy a container?

At Container King, you need a credit score of 625 or better for financing. Rates vary with credit score. No deposits are needed, and you will receive a request for the first payment 30 days after purchase. You can also pay off your container early, at any time, with no fees. Apply online using our easy, secure, and same day approval form.

What types of containers are available for lease?

There are different types of containers available for lease depending on your cargo requirements - standard dry storage, refrigerated (for perishable items), open top (for oversized goods), and more. You choose based on what suits your business best. Did you know there is also a choice between operating leases and finance leases?
