# **Huawei Solomon Islands Industrial and Commercial Energy Storage Project**

How will the Solomon Islands invest in Huawei?

The contract between the Solomon Islands and Huawei will be funded by the Export-Import Bank of China, which leads the country's state investments overseas. The bank will loan almost Rmb450mn (\$66mn) to the country over a 20-year period at a 1 per cent interest rate to fund the project.

Why did Australia stop Huawei building an undersea cable to Solomon Islands?

In 2018, Australia intervened to prevent China's Huawei from building an undersea cable to Solomon Islands, citing security concerns. (Photograph: Jade Gao/AFP/Getty Images)

Will China and the Solomon Islands work together?

"This proposal will be a historical financial partnership with the People's Republic of China since the two countries established diplomatic ties in 2019 as the two countries work closely to ensure the successful implementation and operation of the project," the Solomon Islands government said in a statement.

Was Huawei agreement a "slap in the face" for Australia's Prime Minister?

Fergus Hanson, a director at the Australian Strategic Policy Institute think-tank, said that the Huawei agreement was a "slap in the face" for Australia's prime minister Anthony Albanese, who was assured by his Solomon Islands counterpart Manasseh Sogavare last month that Canberra remained the country's top partner.
