## Outdoor power supplier in Izmir Türkiye

Where is Nordex Enerji located?

The Turkish headquarters are located in the business metropolis of Istanbul in the north-west of the country. The company also has a training centre and a customer service office in Izmir in close proximity to its customers' numerous wind farms on the west coast of Türkiye. The Nordex Enerji A.S. team comprises a total of more than 430 employees.

Who is the market leader in wind energy in Türkiye?

The subsidiary Nordex Enerji A.S. became the market leader in the wind industry in 2017 and continues to hold this position. There is high potential for the use of wind energy in Türkiye given that the mountain ranges in central Türkiye and especially the western coastal region offer consistently good wind speeds.

Who makes Nordex wind turbines in Türkiye?

As one of the world's largest wind turbine manufacturers, the Nordex Group has been active in Türkiye since the year 2009.

Who is wind & Türkiye?

Wind has been our business since 1985 with over 30 subsidiaries, we are close to our customers around the globe - Türkiye has been part of our business since 2009. The Nordex Group successfully concluded the EuroWind 2024 Exhibition.
