
Palikil Folding Container Long-Term Type

What are AkyPak®; foldable large containers for non-palletisable loads?

AkyPak®; foldable large containers for non-palletisable loads will streamline your logistics operations. Also known as FLCs, Pallet Boxes or Sleeve Packs, these long-lasting and environmentally friendly containers consist of a pallet base, a foldable sleeve, and a lid.

What are folding plastic pallet boxes?

Folding plastic pallet boxes, also known as collapsible box pallets or collapsible plastic pallet boxes, are a practical and versatile type of foldable storage box, moulded in recycled HDPE (high density polyethylene). They also offer a space saving alternative to Pallettower's standard, non-collapsible box pallets.

Why do you need a lid for a foldable container?

Our foldable boxes come with a range of customizable features, offering flexibility for various industries and optimizing your logistics operations. Lids for foldable containers provide essential protection for contents, keeping items safe from dust, moisture, and contaminants during storage and transportation.

Can collapsible bulk containers be stacked upright or collapsed?

All of our collapsible bulk containers can be stacked upright or collapsed-- saving you valuable warehouse space, whether the bins are in use or in storage. Our collapsible bulk containers are available in various sizes and offer capacity ranges for medium-duty, heavy-duty, or extra-heavy-duty applications.
