
Risen portable solar power supply

Who makes risen solar panels?

Risen Australia is based in Victoria. They are a leading manufacturer of high performance Tier 1 solar panels that have a higher than average warranty. Risen Energy is a global solar technology company. They make solar PV panels for the retail market, supply, fund, construct, and operate commercial and utility-scale solar projects.

Does Risen offer a warranty on solar panels?

Risen offers a 25-year product warranty on selected Risen solar panel brands. This 10-year extension to the product warranty speaks volumes about the confidence Risen has in the quality of its panels. The solar panels' performance is not affected by the warranty.

Who is risen electric?

As an independent division of Risen Energy in the field of photovoltaic energy storage station development, Risen Electric focuses on ground centralized photovoltaic energy storage stations and distributed photovoltaic energy storage stations on industrial and commercial rooftops.
