
Switchgear equipment for sale in Sydney

Who is connected switchgear?

Connected Switchgear is a proud Australian owned and operated electrical supplier with an established reputation throughout Australia and the Asia Pacific region for manufacturing the finest domestic, commercial and industrial light switches, power points, circuit breakers, RCDs, 3 phase and industrial switchgear products.

Where are our switchgears made?

Our growing capability encompasses an extensive range of switchgear for substations, overhead distribution and underground cables. Our core range is locally manufactured at one of our three Australian facilities. This range is augmented by our single-source partner Sieyuan Electric in China to provide additional voltages and technical solutions.

Does connected switch gear ship to Australia?

Our entire electrical range is now available for immediate delivery to any Australian postcode on our fully secure online store. Expedited delivery to all states in Australia. Orders prior to 12pm will be dispatched the same day. You can get trusted 5 Year in House Warranty with Connected Switch Gear. Find a Connected Switchgear Stockist

What is switchgear equipment?

Switchgear equipment in the railway industry must be able to withstand mechanical stress caused by operational vibrations and shocks, even under aggravated conditions. Rockwell Automation offers a comprehensive selection of electric protection and switching devices for the railway industry.
