
Vienna solar roof solar panel manufacturer

What makes Winkler solar roof unique?

The innovative solar roof from Winkler combines the best of solar utilisation: In perfectly coordinated technology and appearance, our solar heat collectors are combined with photovoltaics "Made in Austria". And, on request, also with roof windows.

Are flexible solar modules suitable for commercial roofs?

Our flexible solar modules are particularly suitable for roofs with limited load-bearing capacity, as well as for foil and bitumen roofs. The DAS Kraftwerk team specializes in designing and installing photovoltaic systems for commercial rooftops.

Where are photovoltaic modules made?

Our expertise lies in the field of green technology, with a clear focus on the development and manufacturing of lightweight and flexible photovoltaic modules. At our production center in Wiener Neustadt, we utilize state-of-the-art fiberglass materials from the aerospace industry combined with highly efficient monocrystalline silicon cells.

Who is Winkler solar?

Winkler Solar produces solar collectors and photovoltaic modules in Austria. It is our concern to ensure a sustainable energy supply in Europe with local value creation. In this way, we can ensure the best possible quality and meet architectural demands with individually manufactured module sizes according to customer requirements.

Large-scale photovoltaic systems with low load capacity for all types of roofs - industrial and commercial types of roofs. DAS Energy - Photovoltaic modules - developed and produced in ...

The Vienna-based PV-installer offers solutions for the entire solar energy value chain for private individuals, municipalities and businesses, starting from planning, to ...

Winkler Solar is a manufacturer of high-performance solar collectors, PV systems and solar heating networks. Solar roofs with solar thermal energy, solar power and roof windows.

In the heart of Vienna, Austria, a city renowned for its architectural beauty and commitment to sustainability, Pure Solar has embarked on an innovative project that combines renewable ...

Metsolar Hallo! Building integrated photovoltaics (BIPV) manufacturer for Austria Metsolar produces unlimited variety of tailored BIPV solar panels for Austria and other regions of EU, ...

The Vienna-based PV-installer offers solutions for the entire solar energy value chain for private individuals, municipalities and ...

Buy Wholesale Solar Shingles? Solar shingles, also known as solar roofs, photovoltaic shingles, are solar panels that are designed to look like and function as ...

Sellers in Austria Austrian wholesalers and distributors of solar panels, components and complete PV kits. 31 sellers based in Austria are listed below.

This comprehensive guide examines the top 10 solar companies making significant impacts in Austria's renewable energy transformation. The Austrian solar market features a diverse mix of ...

SolarSK completed a 1.3 MW rooftop solar plant for Technopark Vienna in just 3 months. The project powers refrigeration, production, and 300 electric buses, cutting energy ...

Large-scale photovoltaic systems with low load capacity for all types of roofs - industrial and commercial types of roofs. DAS Energy - Photovoltaic ...

Top Solar Panel Companies in Austria The B2B platform for the best purchasing decision. Identify and compare relevant B2B manufacturers, suppliers and retailers
