What is the best portable power station in the UK?

Look for at least a 2-year warranty and responsive customer service--especially important for premium purchases. Finding the best portable power station in the UK comes down to your personal needs. For home backup, try the EcoFlow DELTA Pro Ultra or Sherpa Base 5.0. For outdoor use, the EcoFlow RIVER 2 Pro or Jackery Explorer 500 are brilliant.

Are heavy-duty power stations "portable"?

It's also worth knowing that there are models that pack in far larger batteries and more power for a higher price and more weight - those heavy-duty stations can weigh more like 45kg and have wheels for moving them around, so they don't feel quite as "portable" to us!

What can a smart portable station do for You?

Keep your appliances safe during sudden power outages with a smart portable station. With options up to 3600Wh, they're a great alternative to generators. From appliances and TVs to lights and your laptop, you can continue using everything even when there are power cuts in your neighbourhood.
